Assistant Secretary of the Navy (Research, Development, and Acquisition)

- **Honorable**

  Mr. John J. Young, Jr.
- **Responsibilities**
  - The development and/or procurement of systems satisfying requirements determined by the CNO and CMC as efficiently and economically as possible. He is responsible for ensuring that operational requirements are properly transformed, within allocated resources, into executable research, development and acquisition programs.

Assistant Secretary of the Navy (Manpower and Reserve Affairs)

- **Honorable**

Mr. William A. Navas, Jr.

- **Responsibilities**
  - All issues related to manpower and manpower funding:
  - Examples: Training
    Recruiting
    Quality of Life
    Health Services (TriCare)

Assistant Secretary of the Navy (Financial Management and Comptroller)

- **Honorable Mr. Dionel Aviles**
- **Responsibilities**
  - Goldwater-Nichols Act mandated that SecNav shall have sole responsibility for Comptroller (including financial management). Section 5016 of T. 10 further states that one of the ASNs shall be the ASN for Financial Management. The ASN shall have as his principal responsibility the exercise of the comptroller functions of the DoN, including financial management functions. The ASN shall be responsible for all financial management activities and operations of the DoN. FM&C also covers legislative liaison for appropriations issues.

Assistant Secretary of the Navy (Installations and Environment)

- **Mr. Wayne Arny - Acting**
- **Responsibilities**
  - Environmental protection ashore and afloat, real property housing and facilities, construction and management of installations housing and facilities, compliance with Base Realignment and Closure Laws, analysis of long range basing and infrastructure requirements, safety and occupational health, and allocation of resources and requirements related to his responsibilities.

General Counsel

- **Honorable Mr. Alberto J. Mora**
- **Responsibilities**
  - Chief legal officer of the Department)
